

Small Paws Guinea Pig Rescue Surrender Form

- All questions must be filled out to the best of your ability. We use the information provided on this form to help us re-home the guinea pig/s to an environment best suited to them and to treat any present or underlying conditions that they may present with. The information on this form is also to ensure that all the guinea pigs at our rescue are protected from possible disease any new surrender may be present with.
- This form must be completed with a signature by the previous owner which will release the said person from any further commitment made to this animal including medical treatment costs, food and general care requirements. By signing this form you will be releasing the guinea pig to Small Paws Guinea Pig Rescue.
- One form per Guinea Pig is required.

Please present this form (and any donations you may wish to give) at the time of surrendering any Guinea Pig(s) to us here at Small Paws Guinea Pig Rescue.
